FOUR WAY TEST

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

Rotarians are professional men and women who actively contribute to quality of life in theirs and others communities. Rotary is a volunteer organization with nearly 1.2 million Rotarians working in more than 32,000 Rotary clubs in 168 countries.

Rotary club members represent a cross-section of business, professional and volunteer leaders worldwide. These men and women donate their expertise, time, and funds to support local and international projects that help people in need and promote understanding among cultures. The organization initiates humanitarian programs that address today's challenging issues. Rotary's flagship program is its effort to protect children against polio, with the goal of ending the disease throughout the world.

Rotary E-Club of District 7545

What is an E-Club?

Rotary E-clubs are the same as other Rotary clubs: they meet regularly, carry out service projects, support The Rotary Foundation, and socialize with each other.

So what's different about E-clubs?

You can attend and enjoy club meetings online when it's convenient for you, day or night, any time of the week.

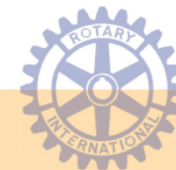

Club business is conducted utilizing electronic media. Like all Rotary clubs, members socialize in person, periodically, with other MSRE members, as well as with Rotarians in any/all other Rotary Clubs near you. (It's the best of both worlds – with local and International Rotarian friends.)

E-Club Objectives

1. Use the Internet to attract new Rotarians.
2. Use the Internet to facilitate meetings.
3. Use the Internet to manage service projects.
4. Use the Internet for fellowship by creating a friendly community of like-minded Rotarians.
5. Use the Internet to retain Rotarians who would otherwise be lost to Rotary.
